Defensive, aren't we? With this new cycle getting underway, protecting and preserving you and yours takes on a higher than usual priority. A sensitivity to the needs and wants of others and an appreciation for their frailties (as well as your own) makes you more cautious and conservative ... you pick your battles with care.

Over-optimism can put you in a real pickle at this time in your life, when there may be little support for your heart-felt goals. Now is the time to reconsider, adjust, and change course. The time-window for action is a narrow one: think long-term and make a safe choice; stick to the blue chips and avoid the high-flyers.

Sep 21 Sun Sextile Neptune Solar Eclipse (Virgo-Scorpio 3rd-5th)
*** Exact (Enter: 09/21/25 Exact: 09/21/25 Leave: 02/17/26)

You tend to get over-emotional about ideas and ideologies at a time like this, letting feelings get the upper hand over good sense. It's all very well to be in touch with your feelings - but not if it means you end up being "touched in the head." Travel and communications seem to be the answers to your problems - but sometimes knowing more doesn't answer the questions that really count, and it doesn't matter where you go if you come home to the same old thing. New perspectives and new ways of thinking need to be developed.

Unusual people (perhaps the eccentric-genius or social-reformer type) can create a lot of emotional energy that has a big effect on you now.
